THE YORKSHIRE PINE FACTORY

Painted kitchens and furniture

All our kitchens and furniture are supplied in natural wood finished using 120 grid sandpaper, additional preparation might be required prior to finishing the units. After receiving delivery it is the customers responsibility to store the cabinets, doors and panels properly. Unfinished or exterior finished only units will need to be finished immediately to avoid splitting, bowing or wood movement. Failure to handle, store or finish items properly will invalidate the Yorkshire Pine Factory warranty.

For a painted finish we recommend the use of knotless wood such as knotless pine, paulownia, tulip wood, or oak. Although all our painted units are flattened between coats a 100% flat finish cannot be guaranteed on solid wood, grain and minor imperfections might remain visible.

Paint finishes are matched to any RAL or Farrow and Ball colour. Finishes are a soft satin, for a surcharge we can offer an alternative sheen % to increase or decrease the shine of the finish, we do not offer a gloss finish. Please note that shade/grain differences might remain visible between sections of the wood when lacquers or stains are applied.

For an additional charge units can be painted in a combination of colours, e.g. painted exterior and clear lacquer interior. For an additional charge we can paint different units in different colours, base units, wall units and kitchen island units can either all be painted in the same colour or in a combination of colours.

Wood is a hygroscopic material, items when finished might require remedial work once they have climatised to their new environment, any site visits to carry out remedial work to finishing, return or redelivery costs will have to be paid for by the customer.

What our customers say about our paint finish.

Just attaching some images of the kitchen as requested. Still some last minute touch-ups & odd jobs to do, but it's all fitted & we love it. Thank you for all your help & support & of course your beautifully crafted kitchens.

We will hopefully have created the 'wow' kitchen to help sell our cottage. If we need a new kitchen in the next house, I won't be looking anywhere else but Yorkshire Pine Factory.

Thanks once again. Lynn R.
