• Contact information	10

Glazed door option 10% surcharge

All pine and knotless pine doors and drawer fronts are supplied unfinished unless otherwise specified. We will not paint pine, if a painted finish is required we will use knotless pine.

Finishing surcharges on list prices, clear lacquer or stained +50%, stained with clear lacquer top coat +80%, knotless Pine painted +80%.

Paint and materials surcharges for stock finishes +10% of the order value with a minimum £75 + vat charge, for non stock finishes +15% of the order value with a minimum £125 + vat charge.

To place an order you can either specify door/drawer height & width or specify the cabinet type, height & width. For bespoke size please specify height & width.

Please be aware that online image of colours might vary from the paint colour once it has been applied, methods of application and light conditions will also vary the shade of the paint colour.

Finishing service

Finishing service & paint colours stocked (paint not doors)

All our kitchen doors, drawers fronts and end panels are supplied in natural wood, additional preparation might be required prior to finishing. After receiving delivery, it is the customers responsibility to store the cabinets, doors, drawer fronts and panels properly.

Unfinished items will need to be finished immediately to avoid splitting, bowing or wood movement. Failure to handle, store or finish the items properly will invalidate the warranty of the items supplied.

We offer a bespoke spray paint finish matched to any RAL or Farrow & Ball colour, Although painted items are flattened between coats and we do apply a minimum of 2 primer coats and 2 top coats, a 100% flat finish cannot be guaranteed on solid wood, grain and minor imperfections might remain visible.

Our paint or lacquer finish is a soft satin (20% sheen), we can offer a different sheen % to increase or decrease the shine of the finish, we do not offer a gloss finish on solid wood.

When a clear lacquer, stain or wax is applied, shade/grain differences remain visible between sections of the wood. Colours and shades might vary from the colour charts or online images used. Different batches of paint might have a different colour shade and therefore might not match previously painted, lacquered, stained or waxed items.

Wood is a hygroscopic material, items when finished might require remedial work once they have climatized to their new environment, any site visits to carry out remedial work to finishing, return or redelivery costs will have to be paid for by the customer.

Stock paint | lacquer | stain finishes
